Ayer's Cherry Pectoral

Throat and Lungs, such as Coughs, Colds

Whooping Cough, Bronchitis, Asthma,

The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affect tions. CHERRY PECTORAL always affords instant relief, and performs rapid cures of the

As a safeguard to children, amid the distressng diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, nultitudes are rescued and restored to health. This medicine gains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it
